General Information:

COM/COL price includes application of customer's fabric (leather) which should be prepaid to factory address and clearly marked to indicate: 1) buyer's name, 2) buyer's purchase order number, 3) client, 4) furniture number of item to be covered, and 5) instructions for application, i.e. face, railroaded, reversed, etc. Furniture orders should include this same information as well as cutting instructions and a description of the fabric including pattern and color number in order to provide a cross reference and to reduce the margin of error. In the absence of specific written instructions accompanying the order, fabrics will be cut, seamed and applied at our discretion and at the customer's risk. Davis will not purchase COM/COL materials.

All orders and COM/COL materials should be sent directly to
Davis Furniture Industries, Inc.
Attn: COM/COL Department
2401 South College Drive
High Point, NC 27260
Phone: 336-889-2009

Yardage requirements shown in price list are based on using fabric which is plain and a full 54" wide. Fabrics of narrower widths and/or which involve matching repeats will require additional yardage. Under most of these circumstances, the following tables can be used as a guide. Collect shipments of COM fabrics will not be accepted.

Fabric less than 54" wide –		54" Fabric with a print or stripe repeat –	
Fabric Width	Increase COM requirement by:	Repeat	Increase COM requirement by:
50"	8%	7" and under	11%
48"	13%	8" to 13"	18%
45"	20%	14" to 21"	21%
36"	50%	22" to 27"	24%
		28" and over	Call Factory

FOR LARGE QUANTITIES – Davis will supply exact yardage requirements for large quantities, revisions and special match problems upon request. In the absence of specific written instructions accompanying the order, fabrics will be cut, seamed and applied at our discretion and at the customer's risk. Napped and some velvets are usually applied without luggage stitching. While we inspect fabrics for mill imperfections, some are difficult to recognize. We cannot be responsible for defects, color inaccuracies, dye lot variations, and other flaws. We suggest that our customers inspect fabrics before furnishing them. Under no circumstances will we assume responsibility for COM/COL shortages, flaws, or other such problems. While we make a concerted effort to control COM/COL materials, it is not our responsibility to police the receipt of these materials in order to meet delivery deadlines and we assume that customers are aware of any undue delay in the delivery of their COM/COL materials.

All Davis seating conforms to California #117 Bulletin for fire resistance. Many products have been tested and pass California TB 133. Please contact factory for information.

Fabric Evaluation:

Evaluation is required on all fabrics based on the product being specified. All fabrics on this Grade List must be evaluated. A memo sample will be required for evaluation. Please contact a Davis Customer Service Representative (336-889-2009) for information on this evaluation process and to inquire if a memo sample is already in-house.

Special Finish Application:

At times it is necessary to add backing or stain repellent finishes to fabrics to improve upholstery results. In these cases, additional charges could be added to product cost. These costs will be evaluated on a case by case basis. Please contact Davis Customer Service for pricing and information - 336-889-2009

Backing: Refer to each fabric specification before ordering. Backing may be required on some Davis products for proper tailoring, contact factory for specifics. If fabric is not originally backed or is only "lightly" backed from the fabric supplier additional backing charges may be incurred from Davis.

Because every fabric specification is different and application for use must be taken into consideration, Davis shall not be held responsible in any manner for wrong specification of fabric, and Davis does not guarantee application, wear, durability, or light fastness of the items included in this program except where covered by supplier warranty.

Refer to your Davis Leather Card in your Davis Binder for leather swatches and information. For Davis Webbing Leather swatches, contact Davis Customer Service at 336-889-2009 or email Davis at mail@davisfurniture.com. For all other swatches of the leather in the Davis Leather Collection Card contact Helvetia Leather directly at 828-325-0022 or go to www.helvetialeather.com.

The Davis Leather Collection may be ordered on a cut program – Grade G - \$8 NET and Grade J - \$10 NET per square foot. A minimum of 50 square feet (1 hide) is required. Specify pattern and color when ordering.

Infinitas Collection from Tiger Leather

Due to its superior durability, Infinitas leathers are ideal for every market. Infinitas is antimicrobial, water repellent, and has a stain release grade of 5 (which is the highest rating). This formula is added during the tanning and finishing process, penetrating the hide and making it resistant to spills and stains.
